

Make a lantern

Spreading Light throughout the World!

You'll need:

- Colored tissue paper
- Construction paper
- Tissue paper
- Glue stick
- Strip of paper or yarn
- Stapler

What to do:

- 1 Fold the paper in half lengthwise.
- 2 Cut lines through the fold to about $1\frac{1}{2}$ " from the top of the paper at about 1" intervals.
- 3 Open the paper, make a tube with the cuts pleating outward in the middle and staple to secure.
- 3 Glue tissue paper streamers at the bottom.
- 4 Make a handle at the top using another strip of paper or yarn.
